Butterfly Feet

This is particularly good to do with infants. Paint the bottom of the child's feet. Make imprints of each foot with the big toe facing outward and the outer edge of the feet touching each other. You will notice the results looks like a butterfly. It helps to clean one foot before you paint the other. Write your favorite poem on the paper when dry!

Time: 15 – 30 minutes

Supplies: paper, paint (any color), black pen
