Clay Pot Chick

Have child paint the clay pot yellow. Let dry. Depending how you want to use the pot when it is decorated you can either turn it upside down or leave it right side up.

Have child glue wiggle eyes near the top of the pot. Glue the beak under the eyes. Decorate the top of the pot, sides and back with the feathers. You can also finish it off by adding construction paper feet to the pot.

Time: 30 minutes – 45 minutes

Supplies: clay pot, yellow acrylic paint, paint brush, yellow feathers, orange craft foam (for triangle beak), two large wiggle eyes, glue
