[Sarah was walking down the street when she saw her friend Freddy walking along with a full-grown elephant.]

Where did you get the elephant?

He just showed up in my back yard the other day, I fed him a couple of times, and hes been following me ever since.

What are you going to do with him?

I don't know; what do you think?

Why don't you take him to the zoo?

Great idea I will!

[The next day Sarah was walking down the same street when she saw Freddy walking along with the same elephant.]

I thought you were going to take him to the zoo!

I did that yesterday. Today, I'm taking him to the movies!
